## In Loving Memory of BílC Ernest

The Walkerton Agricultural Society would like to honour a wonderful member who will be greatly missed.

Bill Ernest of Walkerton passed away on December $30^{\text {th }}, 2022$, at the age of 70 . He is missed by his loving wife, Barb, his 3 children and their partners and his 7 grandchildren.
Bill was a dedicated member of the society for 30 years. He was the Homecraft treasurer for 25 years and was always willing and offering to help with any job. You could find him in the kitchen cutting the roast beef or mixing the
 mashed potatoes to setting up the tables for the fair. Wherever or whenever, Bill was always there.
Bill loved the Little Royal Fair. He was an avid exhibitor and loved seeing the excitement on his grandchildren's faces when they saw their prize winning exhibit.

Bill will be remembered for his contagious smile, the twinkle in his eye, sense of humour, kind and gentle soul and his love for life and his family. He will be missed by all his friends and members of the Agricultural Society.

## Little Royal Fair Ambassador

Greetings, and welcome to the 20232024 Walkerton Little Royal Fair. I have had the honor of representing the Walkerton Agricultural Society as their fair ambassador for the past year. This has been an amazing character building experience for me. I have gained many skills over the past year, such as making a resume, public speaking, successfully doing an interview, writing speeches, networking and having a better understanding of agriculture in our community.

At the beginning of my term as ambassador, I was able to participate in many activities at the fall fair along with my Junior ambassador, Callie Leifso. The whole weekend was action-packed and for being the first fair held in nearly three years I believe it was an enormous success. Even through the rain and cold weather, I saw a whole community gather together to celebrate the history and future of agriculture in the greater Brockton area. There were so many memorable moments for me from that weekend. The mini-chuck wagon races, the pet show, the horse show, all the amazing rides and games at the midway, and perhaps my favorite of all, the peameal breakfast sandwiches which sold out every day.

Other events I had the privilege to attend were our annual roast beef dinner, the annual District 10 meeting in Chesley, Walkerton's annual Santa Claus parade, the agricultural society's Christmas dinner and my favorite event other than the fair, the annual OAAS Convention in Toronto. At this provincial wide convention, I got to meet all of the fair ambassadors from across the province and completed many workshops and activities. I made many life-long friends there. Thank you again to the Walkerton Agricultural Society for giving me the opportunity to be the ambassador for the 2022-2023 Walkerton Little Royal Fair. I fully recommend this program to anyone interested. Have a great fair everyone!

Hayden Oberle

# Little Royal Fair Junior Ambassador 

I have loved being the junior ambassador this year, it has been so much fun. My favourite part was probably the fall fair because I got to judge the pet show and see a lot of adorable puppies and animals. They were so cute! I also got to eat a whole bunch of delicious free food. I was so lucky to be able to do that. My favourite part about the fall fair though was the horses and the cotton candy. I loved seeing all the horses and it was amazing to be able to hand out ribbons to the horses. My favourite thing that I got to do with the horses was probably riding in the big carriage and the horses pulled us. That was just so amazing. And the cotton candy was delicious, I ate a lot. Another thing that I got to do is go see all the other ambassadors, it was awesome seeing people that have the same interests that I do and making new friends. When I went to this meeting, I also got to get a picture in front of Big Bruce with all of the ambassadors. We also went to the launch pad, where I learned how to change a tire, sew and I also got to use virtual glasses, it was so cool and funny. I even got my own sewing machine and I sew at home now. One other thing that I got to do is I got to be in the Santa Clause parade, and I loved seeing and hearing all the girls say, "she has a real crown" and that "she looks like a princess" it made me so happy. One more thing is that ever since I became the ambassador and had to speak in front of people, I have become more confident, and I am more confident to speak in front of people. I have had so much fun, and I have had the best time and I hope that every girl gets to have the opportunity that I get to have because it is just the best time, you will have so much fun.

Callie Leifso
